LCO Begins at Catawba Nuclear

Technical Director, Harold Dacus has been very instrumental in the success of the two LCO 14 day outages at Catawba Nuclear Station. Along with Harold, we thank Shay Morris, Roland Gifford, Randy Banks, Johnny Ayers, and Kevin McAllister for a job well done. The work at Catawba has been an on-going project which began in August, 2005. The project is to continue until 2009.

Well Done !!!

FROM THE DESK OF JESSICA

2006 has brought a few changes here in the office other than weight gain, hair loss and a high stress level we now have the following:

PTS has implemented a new Purchase Order System. I know just the name sounds complicated and like a big pain in the butt, but really, it will make things in the office so much more simpler and easier in the long run.

This means that a Purchase Order Number is required to purchase anything related to a job, the shop, or the office!!! Just ask Angie for a PO # before anything is bought.

PTS has also made payroll checks direct deposit only!!! You are probably asking why we did that, so I will tell you the truth, we are cheap and stamps cost money! Direct Deposit is free!! So make sure that I have your banking information so that you can get paid.

If you have any questions about the changes, please feel free to ask me. If I don't have an answer I will make up something that sounds good!!!

Until next month, don't let your handle on life break.

Jessica Higgins - General Manager

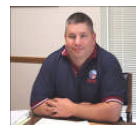

A NOTE FROM OUR PRESIDENT

Hello,

January was a very busy and prosperous month for PTS. We are all excited and looking forward to the coming months full of new ventures. Thank you PTS team for your dedication and hard work.

Mike Gettys, President

EMPLOYEE OF THE MONTH

Marvin Russ was voted as Employee of the Month for January 2006. Marvin retired from Shelby Elastics before coming to PTS four years ago. PTS is fortunate to have Marvin as our Shop Manager. He definitely keeps everything and everyone in order. Congratulation Marvin and thank you for doing a great job.

PATRIOT MARKS ANOTHER YEAR OF NO LOSS TIME ACCIDENTS

Patriot Tools & Service, Inc. (PTS) marks another year of no accidents for 2005. PTS is vitally concerned about the welfare of our people and those influenced by our work. The prevention of all accidents is a standard performance of our company, its management team, supervision, and employees. Our goal is an injury and incident free workplace for all employees. Patriot Tools & Service has achieved this goal with no loss time since the company began in 2002. Keep up the good work !
