### Famous Quote

I find that a great part of the information I have acquired by looking up something and finding something else on the way.

*Franklin P. Adams*

You are your greatest investment. The more you store in that mind of yours, the more you enrich your experience, the more people you meet, the more books you read, and the more places you visit, the greater is that investment in all that you are. Everything that you add to your peace of mind, and to your outlook upon life, is added capital that no one but yourself can dissipate.

## PTS PRESIDENT MIKE GETTYS MARRIES MARGARET NEELY

After a two year courtship, President of Patriot Tools & Service, Inc., Mike Gettys and Margaret Neely tie the knot in a romantic and memorable ceremony on November 18, 2006.

The wedding was performed at Big Springs Church in Polkville, North Carolina. Following the ceremony, a luncheon and reception catered by Chelsea's of Forest City was enjoyed by all. Almost 200 friends and family members joined in the happy occasion. The couple plan a postponed honeymoon in the summer.

Mr. and Mrs. Michael Gettys, we wish you many years of happiness and a wonderful live together.

## CONTINENTAL TEVES

January 2, 2007 kicks off a new Facilities Maintenance Contract between PTS and Continental Teves located in Morganton, North Carolina.

We would like to congratulate Barry Hunter and Kin Cook for an outstanding effort for their participation in securing this contract. After reviewing the maintenance needs at Continental Teves, Kin drafted a proposal in late February, 2006. Patriot was notified in November, 2006 that we were being allowed to participate in an online bidding process. Approximately 3 weeks later we were awarded the contract. This contract included 7 full time technicians and several opportunities during the year to provide additional services and manpower support.

Continental Teves is one of two facilities in Western North Carolina, with the second plant located in Fletcher near the Asheville Airport just off Interstate 26 West.

We would like to thank Kin and Barry along with the maintenance staff for their efforts in making PTS Maintenance department a vital part of Rutherford County's growth. Congratulations on a job well done.

## MCGUIRE NUCLEAR STATION VISITS PTS

Several representatives from McGuire Nuclear Station visited PTS January 30, 2007 to view a demonstration of the new Metrology division of PTS. The demo was conducted by Metrology Service Manager, Shay Morris. Metrology is being used in the various plants now for accurate measurements and alignment in machining operations. PTS is proud to be a part of that growth. Lunch of lasagna, salad, and garlic bread prepared by PTS ladies was enjoyed by all. McGuire, we look forward to another visit soon.

## PTS GETS A NEW FACE LIFT

Forty seven Gallons of paint, spring flowers, shrubbery, and long grueling hours in the sun bring a new look to PTS. Patriot moved to their new location in Mooresboro, N.C. in August, 2005. A lot of growth, perseverance, and excitement has gone into this building along with the shop. These two buildings sit on seven areas of land, which gives PTS even more room to grow. PTS, Looking Good!

**GETTYS MOUNTAIN GIVES UP ITS FIRST DEER TO CASEY DACUS**

First deer of the 2006 season goes to first timer Casey Dacus. Long cold hours in the woods of Gettys Mountain brings a proud moment for both Casey and her dad, Mike Dacus, Vice President of PTS. Congratulations Casey. This may be a start to many more trophies to hang on your wall.

**T-MAN GOES ABROAD**

Tyler Turner, son of Angie Burn was fortunate enough to travel to Paris and London this summer with Crest High School. He enjoyed the flight. He was there during Paris' Bastille celebration. They threw a big party, fighter jets flew overhead and the fireworks were most impressive. Tyler experienced a culture shock - no air conditioning, no ice for your coke and guards with guns. He loved the fancy cars - the Smart Car, the Lamborghini's, and Ferrari's. He was glad he got to experience a different culture, but he was very glad to be back home.
